

Job Vacancy

Roof Truss & Metal Web Joist Designer

Location: Hampton in Arden, Solihull

Hours of Work: 40 hours per week, Monday to Friday

Salary: Competitive + Bonus Scheme

The Role

Wyckham Blackwell Ltd are seeking a **Roof Truss & Metal Web Joist Designer** ideally experienced with Wolf Design Software to work as part of our sales and design team based in Hampton in Arden. We are looking for someone who enjoys working as part of a successful team and who places providing excellent customer service at the forefront of their approach to business.

Your responsibilities will include:

- Interpret customer requirements and prepare appropriate roof and floor designs, with relevant technical details.
- Provide efficient and effective design solutions for engineered timber products.
- Maintain customer liaison, build effective working relationships with customers, and provide a knowledgeable, technical service.
- Ideally with knowledge of Wolf Design software and customers in the Midlands area.

What do we offer?

In addition to a competitive salary, we work hard to continuously improve our reward package to make sure we remain an industry leader. We offer benefits such as;

- Bonus scheme.
- 22 days holiday per year plus Bank Holidays.
- Flexible hybrid office/home based working options.
- Further training opportunities in additional products areas of Porches, Feature Truss and working with our other group businesses providing Glulam, Timber Frame, SIPs panels, Firedoor Sets & Stairs.

This is an opportunity to develop a career with one of the UK's largest and fastest growing timber engineering companies.
